

THE CREW INTELLIGENCE Know what your seat is worth.

FOR EVERY SERIOUS CREW MEMBER

The Crew Intelligence

Know what your seat is worth.

A monthly magazine in PDF for crew of the 40 m+ fleet: the market, salary benchmarks and one career move to make, researched and written for you by The Freelance Yachting Team. Every figure is checked at source.

HOW IT WORKS

01 · YOU SUBSCRIBE

Monthly or yearly, on freelanceyachting.com.

02 · WE WORK

Each month we research the market, verify every figure at source and write a new issue around the season's angle.

03 · YOU RECEIVE

A 17-page issue in PDF, every month.

WHY IT MATTERS

Pay, demand and the moves that pay change with every season. The Crew Intelligence reads the market for you each month, so you know what your seat is worth before your next contract.

> *"Beyond my expectations. A real eye-opener — directing and educating me every step of the way. I'm so glad I showed interest."*

WHAT YOU RECEIVE

Market Pulse	The state of the crew market this month, in figures.
Salary Benchmarks	Monthly gross pay by vessel size, for captain and deck, and for engineering.
Career Play	The skill or the move that pays this month.
Insider Note	A behind-the-scenes angle that protects crew.
Agency Map and Ask the Team	Senior desks and platforms worth knowing, and a real crew question, answered.

OUR RULES

- Real data only: every section cites its sources.
- New content every month, never recycled.
- Written in English, signed The Freelance Yachting Team.
- Opened by “From the Bridge”, the editorial of the month.

BEFORE YOU BOOK

Who is it for?

Crew who want to know the market they work in: what a seat pays, which moves pay, and which desks to know.

Are the figures real?

Yes. Every figure is checked at source, and each section cites its sources.
